

Sts. Peter & Paul Student Device Loaning Agreement

Students will be issued a device for their educational use. If reasonable precautions and care are taken in the use of the device, the laptop should not experience physical damage. Each parent/guardian should review this form carefully with their child. All devices issued to students are only to be used to access remote learning and other educational uses. Students are expected to follow the guidelines below and take any additional precautions to protect the device. Students are responsible for taking care of the device. The policies outlined in this document are intended to cover all available technologies, not just those specifically listed.

Care and Maintenance

- The student/family is responsible for the daily care and maintenance of the device. Any damage or theft must be reported to Saints Peter and Paul within one day.
- Keep the laptop in a safe place when not in use.
- Students/families should report problems to Mrs. Megan Howington and Mr. John Gish. Do not attempt to remove, add, or change the physical structure of the device, including keys, memory, battery, screen, charger, ID labels, etc.
- Carry the device carefully at all times. Do not store items on top of the device.

Usage Guidelines

In general, all students are expected to use good judgment and common sense; be safe, appropriate, careful and kind online; not attempt to get around technological protection measures; and ask an adult if they need help.

- Use school technologies to send spam or chain mail.
- Use language online that would be unacceptable in the classroom.
- Use school technologies for illegal activities or to pursue information on such activities.

Personal Safety and Privacy

- Users should recognize that communicating over the Internet brings anonymity and associated risks, and should carefully safeguard the personal information of themselves and others.
- Users should never agree to meet someone they meet online in real life without parental permission. If students see a message, comment, image, or anything else online that makes them concerned for their personal safety, they should bring it to the attention of an adult immediately.

Limitation of Liability

Saints Peter and Paul will not be responsible for damage or harm to persons, files, data, or hardware.
